

OTORHINOLARYNGOLOGY HEAD AND NECK  
NURSES GROUP

## State Education Day

Brought to you by OHNNG and supported by Medtronic and Smith & Nephew

# Rhinology Education Day

Want to better understand the nose and sinuses? Come along to this rhinology all day event.

Speakers include ENT's Dr Naiman, Dr Merry and Dr Gollipalli, allergy specialist GP Dr Nick Cooling, and Plastic Surgeon Dr Sid Karanth.

Topics include surgical anatomy of the nose and sinuses, diagnosis and medical and surgical treatment of both acute and chronic rhinosinusitis. Also covered is allergic rhinitis, rhinology emergencies such as epistaxis and foreign bodies, nasal tumours and nasal reconstruction.

Including trade displays and demonstrations from Medtronic and Smith & Nephew, this event will be a great chance to learn, network, and earn CPD points.
