

INVITATION

COCHLEAR HEARING IMPLANT NURSES WORKSHOP

Saturday, 9 September 2017

The Australian Hearing Hub
Jim Patrick room, level 4,
16 University Avenue
Macquarie University NSW 2109

Otorhinolaryngology Head & Neck Nurses Group (OHNNG) and Cochlear Limited proudly invite you to attend perioperative ENT nurses workshop on hearing implant.

This will be an opportunity to learn about how hearing works and identify various types of hearing loss. You will also get an understanding about Cochlear implantable hearing solutions and what is involved in a surgery.

Spaces are limited. Register now!
