

## **10770NAT Course in Micro-Suction and Aural Hygiene**

**RTO Code: 45008**

Our course is based on consultation with ear health professionals, and our 12 years of clinical experience. Microsuction is a safe method for the removal of ear wax, infection and foreign body blockages. It is the preferred technique of ENT specialists, the Royal Victorian Eye and Ear Hospital and is also practiced at Crystal Clear Ears.

### **Course Duration:**

160 hours (40 online, 120 professional placement)

#### **Unit 1**

MICEAR001

Recognise the anatomy and physiology of the ear, ear conditions and treatment

#### **Unit 2**

MICWAX002

Perform wax removal by microsuction and aural toilet

#### **Unit 3**

MICEDU003

Manage, educate and promote aural care

**Please note:** The procedure of microsuction and Aural Hygiene is quite complex to learn. Not everyone has the same anatomy & physiology or wax type, so our course is designed for the student to acquire maximum exposure to a wide variety of ears and wax conditions over 3 weeks of face to face clinical placement

### **Award**

Once you have been deemed competent in all 3 units by our dedicated Nurse Educator/Assessor you will be issued a Nationally Accredited Certificate of Attainment within 30 days of completion. "This course is endorsed by ACN according to our Continuing Professional Development (CPD) Endorsed Course Standards. It has been allocated 160 CPD hours according to the Nursing and Midwifery Board of Australia – Continuing Professional Development Standard."

### **Fees**

**\$6,650\***

Payment Methods include:

Direct debit, Credit Card or by phone to our head office on 1300 260 750

\*If you qualify for Recognition of Prior Learning you will receive a different fee structure
