

Welcome to the first OHNNG Member E-Link. Through this form of correspondence I trust we will keep you better informed by regular (every 1-2 months) emails outlining news, events, relevant content and potentially links of interest. As this is the first contact using this program I invite you to let me know if you prefer not to receive regular emails and I will remove your address from the list. Conversely if you wish to alter or add an email address send the relevant details through. (Options provided at the end of this email.)

It is with many thanks and deep gratitude to the fabulous SA team that we move on from the very successful 21st OHNNG conference recently held at the Adelaide convention centre. The evaluation forms have been collated and will be very useful in preparation for the Perth meeting next year. The responses were overwhelmingly positive and again our thanks

to Tracey for creating such an interesting array of topics across the program. I invite all of you to consider contributing to and attending our 22nd annual conference from Friday 9th to Sunday 11th March 2018 at the Crown Perth Convention Centre. Any suggestions or questions in relation to the Perth conference can be addressed to [president@ohnng.com.au](mailto:president@ohnng.com.au).

The **SA** team - from Left - OHNNG treasurer - Pauline Kennedy, SA state coordinator Karen Mahoney , Tireless helpers Lyn and Paul and Immediate Past President Tracey Nicholls.

## Otorhinolaryngology Head & Neck Nurses Group Inc.

*Increasing knowledge, skills and expertise in  
otorhinolaryngology, head and neck patient care*

Open to all health professionals with an interest in Otorhinolaryngology, Head & Neck patient care

OHNNG is a national organisation that provides educational opportunities for all nurses & allied health professionals working in the specialty of Otorhinolaryngology, Head & Neck surgery.

Work has commenced on enhancing our website. Nothing too exciting just yet but several pages have been updated. I encourage you to check the site for updates on national and state events. The Facebook link is on the home page and details of upcoming OHNNG supported events will be posted on both platforms. All members are welcome to send through events they come across which they consider may be of value to other members and details can be posed on the news or resources page.

I will also take this opportunity to encourage lapsed members to visit the website membership tab and renew their membership prior to the price increase which will take effect from 1st June 2017. (Annual membership

increasing from \$30 to \$50). You will all be pleased to hear that the upgraded website software will enable email renewal reminders and direct online payment. Not there yet but it's on the way....

I welcome comments or suggestions of content for future ELinks.

Best wishes,

Cheryl Kelly

OHNNG President.
